

CI

CHRONICLES

Our Vision is to create learning experiences that foster Intellectual Curiosity, Confidence and Compassion in Individuals and nurture them into Balanced, Resilient and Responsible Citizens who celebrate diversity.

VOLUME 1.0 | ISSUE JULY 24

Investiture ceremony

The Investiture Ceremony at CI marked the official induction of the new Student Council members for the academic year 2024-25. Our new leaders stand poised to embrace their roles with enthusiasm, embodying the essence of dedication and excellence.

French Fiesta

A true spirit of Internationalism was celebrated during French Fiesta at Choithram International

Celebrating Guru Purnima

Teachers were honored with traditional tilak, and students performed songs explaining the day's significance. Students at CI celebrated Guru Purnima with reverence and devotion alongside students and teachers of Tan Da High School, Vietnam.

Celebrating Internationalism

STUDENT EXCHANGE PROGRAMME

Choithram International's recent student exchange program with Vietnam's Tan Da High School was a remarkable cultural and educational experience. The program aimed to foster international understanding and camaraderie among students from different backgrounds. By engaging in various activities, participants had the opportunity to learn from each other and appreciate diverse cultures.

The exchange program was an enriching experience, promoting cross-cultural understanding and providing students with invaluable insights into each other's cultures. The activities fostered a sense of unity and appreciation for diversity, leaving a lasting impact on all participants.

Primary Years Program

"Sweet Moments: Me, Mom, and Yummy Chocolate!"

Our 'Me, Mom, and Yummy Chocolate' event at CI was a delightful experience where moms bonded over delicious treats which were made together with their children. It was a heartwarming day filled with smiles, laughter, and, chocolate!

Welcoming a new journey!

Excitement and smiles on the first day of school! Another year, another class, shaping young minds with care and grace. New faces, eager eyes, a fresh start's bright surprise. Nurturing potential, one lesson at a time, in this classroom where young spirits climb.

Primary Years Program

On July 6, PYP 5 learners discussed traffic systems, precautions, and rules, aligning with the "Dil Dhadakne Do" awareness campaign by Choithram Hospital. They learned that traffic rules ensure predictability and order, promoting fairness and efficiency. By following these rules, we create safer communities and foster a culture of confidence and security in our daily travels. Together, we can ensure that everyone stays safe and sound.

As summer heated up, Choithram International took action to cool our environment by organizing a tree-planting event on 5th July 2024. PYP, MYP, and DP students brought saplings and pots, enhancing their caring profile. This fun and meaningful activity helped create a cooler, greener, and more sustainable future for our community. Cheers to a beautiful, sustainable choice and reduced environmental footprints!

Middle Years Program

Our students dazzled at the IIMUN conference at Sage University from July 26th to 28th, showcasing their brilliance in committees like NITI Aayog, Mahabharat, MPLA, UNHRC, UNGA, and IPL. Their eloquent arguments and spirited debates highlighted their meticulous preparation and dedication. Competing with peers from various schools, they earned well-deserved accolades:

Soha Shahjade: Best Delegate (Graphic Designer)

Christopher Pother: High Commendation

Priyanka Wadhvani: Special Mention

Diploma Program

CAS VISIT

BILLABONG DEBATE

UNIVERSITY VISIT

Choithram consistently promotes connecting students with real-life situations. As part of the CAS core component, DP1 and DP2 students participated in an enlightening traffic education program. At the traffic control room, Mr. Sumant Singh Kachhawa educated them on traffic rules, the learning license process, and traffic signals.

DP students Ira Joshi and Mehak Khatter participated in the P Arvindakshan debate competition organised by the Billabong high school, Bhopal. The debate's topic was "Proliferation of images is leading to desensitisation towards suffering". Their experience was certainly insightful as they gained new perspectives and vividly presented their own school proudly.

The representatives of ASO juku group interacted with the students of Choithram apprising them about the Japanese language requirements for admission in Japanese colleges. They threw light on various vocational opportunities and courses offered by the ASO College Group in Fukuoka city, Japan.
